(10.2)

HI

1. Since 1987, approx. 34 more states have relaxed carrying concealed handguns, and violent crime has declined significantly.
2. Only 2 to 6% of those who may carry, choose to do so.
3. Urban areas are harmed via gun control more so than rural areas.
4. Guns are used to stop 2.5 mil. crimes a year or 6,850 (Over 400 Rapes) times a day [Kleck].
5. (x.x) Murders per 100,000 people in 2008.(x.x) rapes per 100,000 people.
6. ★ 2008 Top 5 most dangerous cities; St Louis, no conceal carry permits issued.
7. AL & DE; legally "may issue plus," but do issue more liberally than most "shall issue" states.
8. Montana requires permits for conceal carry in incorporated and logging camp locales only.
9. ▼ States that allow loaded pistols in car w/ no permits (22).
10. ★ CA; Firearm must be unloaded for open carry.

Concealed Handgun Carry

- "Constitutional Carry" - Unrestricted; 4 States; no permit required
- "Shall Issue" - 36 States; any law abiding adult who takes a one day class and passes a background check.
- "May Issue" - 9 States; state discriminates, must prove a need or be a celebrity.
- Right Denied - 1 States; concealed self defense outlawed, politicians exempt.

Exposed Handgun Carry

- Unrestricted, no permit required - 30 states; subject to local ordinances and harassment.
- With permit only, 8 states.

Unconstitutional Firearm Tax Card

- ▲ Tax on right to keep arms, 4 states, D.C. & Cuba.
